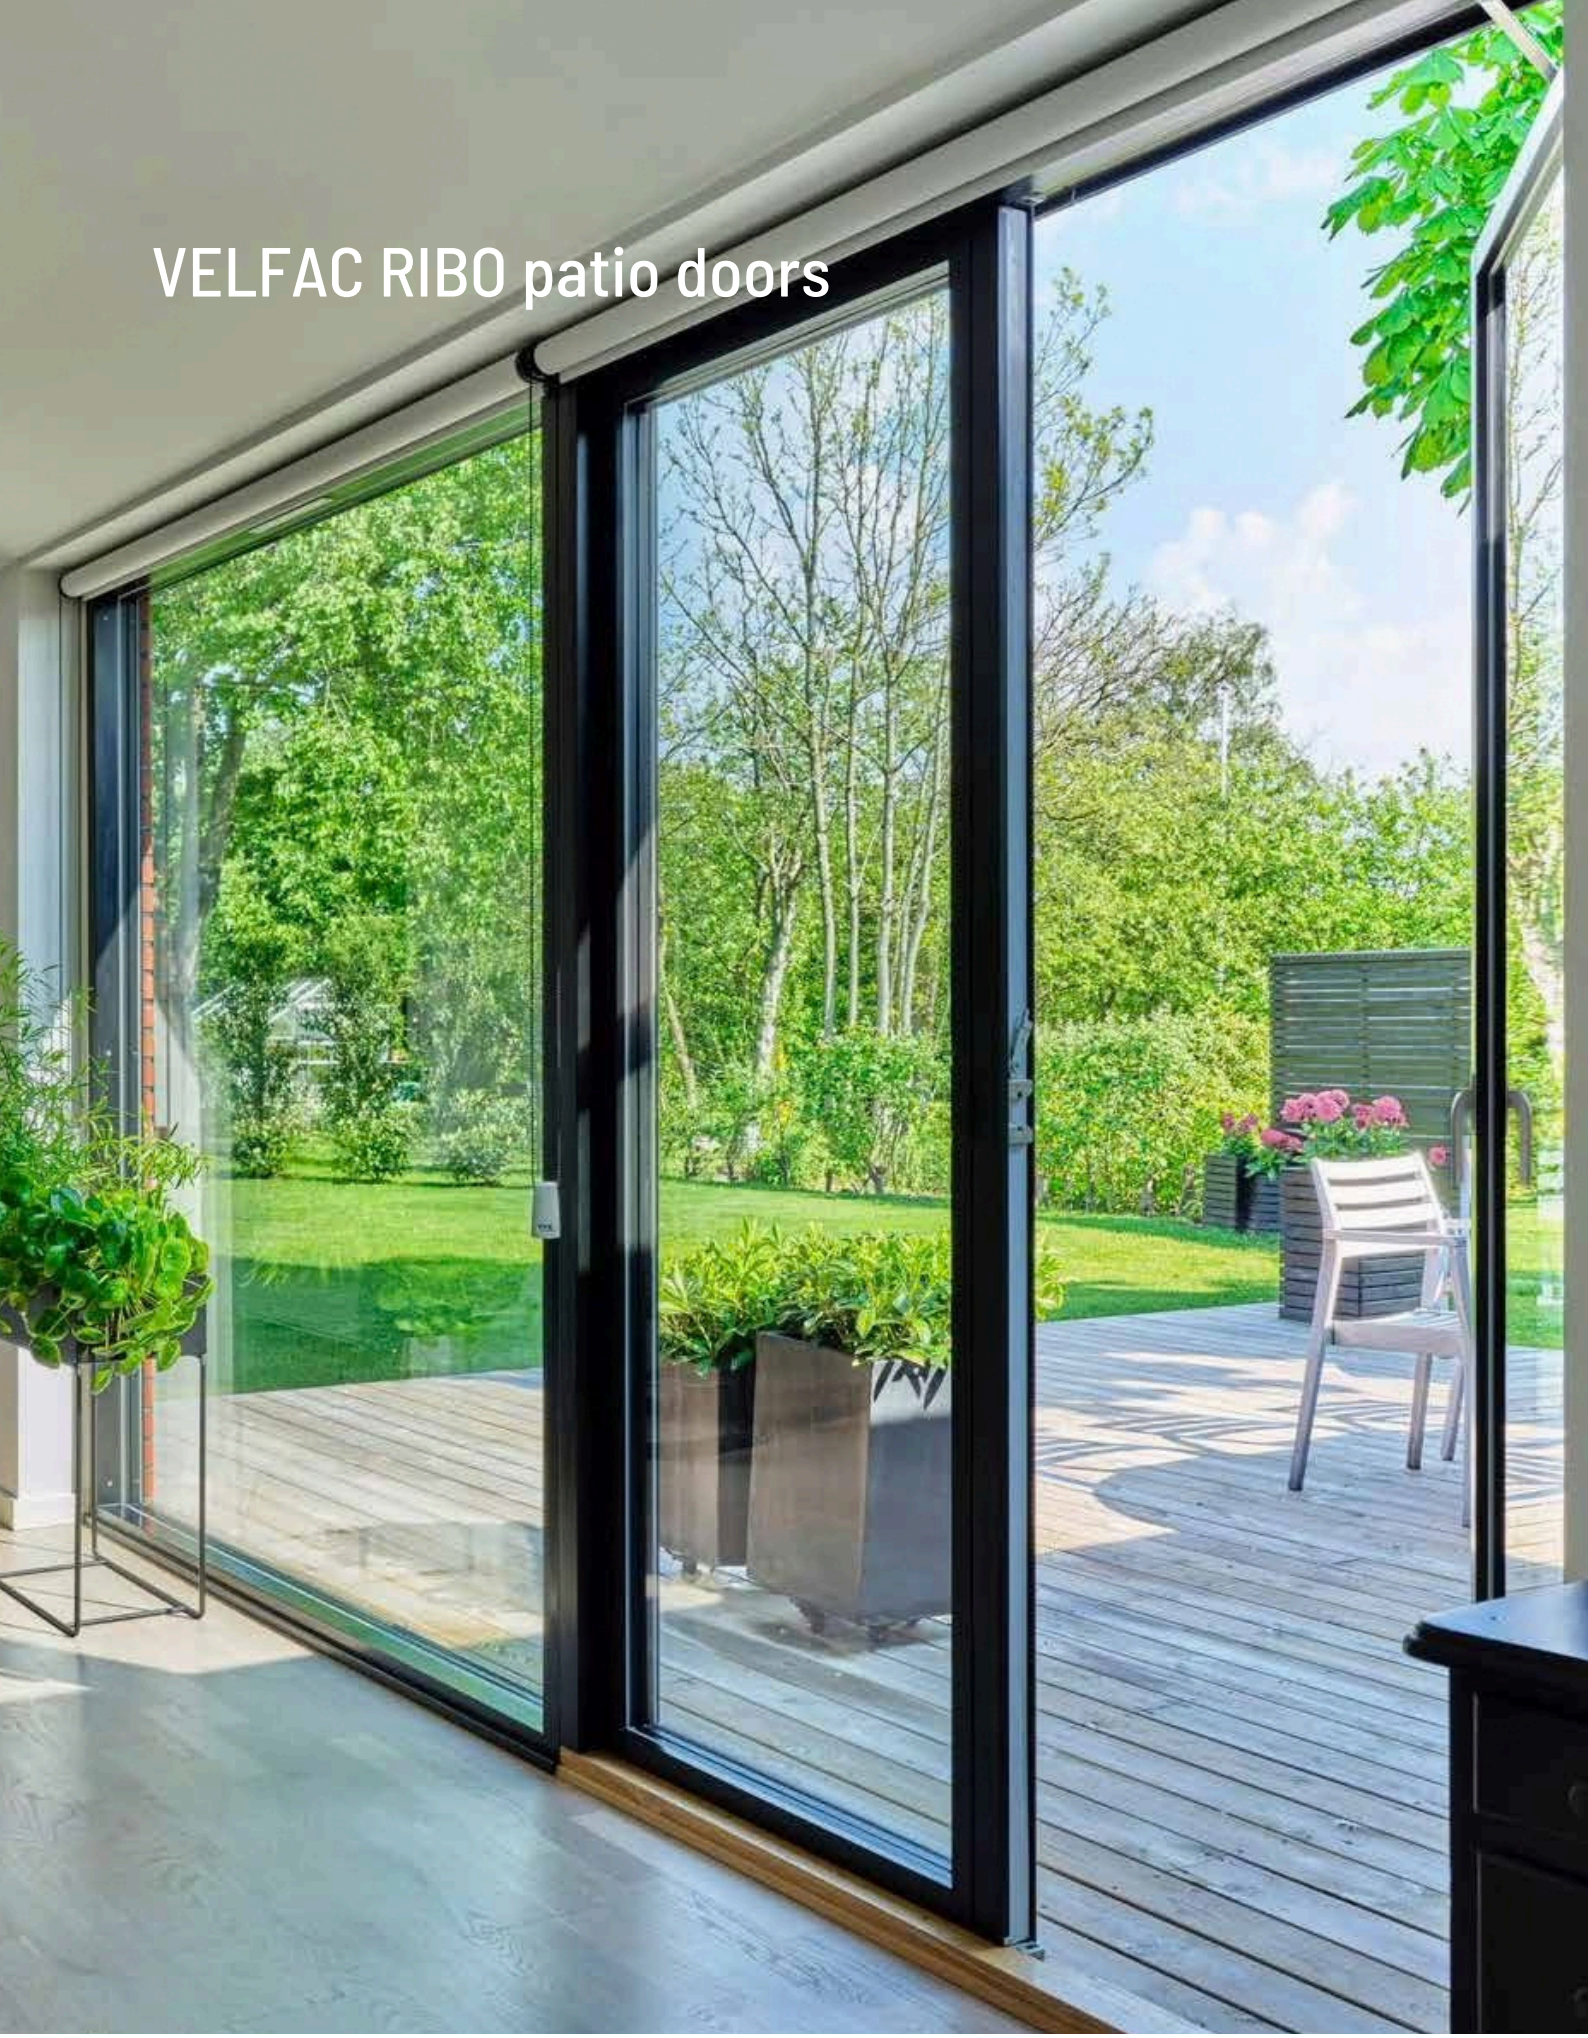
5 years **product warranty**

VELFAC RIBO patio doors



VELFAC Ribo is a flush faced patio door system that provides style solutions to suit most new-build housing types and styles.

Slim sightlines and flush casements provide an elegant look externally, and the internal wood frame creates a warm natural feeling to inside spaces.

Available in both aluminium clad wood or timber only frames (sliding doors are alu. clad only), and with options for aesthetic glazing bars for inward or outward opening doors.

- Double or triple glazing
- Energy efficient = 0.83 W/m^{2}K
- Rw 38dB sound reduction
- Security – PAS 24 / Part Q and SBD compliant
- Sightlines 143mm opening, 50mm fixed
- Wind resistance Class C4 (1600Pa or 114mph wind speed - hurricane)
- Water tightness 300Pa (50mph wind speed – strong gale)
- 5 years product warranty

VELFAC Classic patio doors

VELFAC Classic is a flush faced casement patio door system with options for aesthetic glazing bars that can provide style solutions to complement heritage and country styled properties.

Slim sightlines and flush casements provide an elegant look externally, and the internal moulded wood frame creates a warm natural feeling to inside spaces.

Available in both aluminium clad wood or timber only frames.

- **Double or triple** glazing
- **Energy efficient** = 0.83 W/m^{2}K
- Rw 38dB **sound reduction**
- **Security** – PAS 24 / Part Q and SBD compliant
- **Sightlines** 143mm opening, 50mm fixed
- **Wind resistance** Class C4 (1600Pa or 114mph wind speed - hurricane)
